

the concerns of those people who are trying to do their legal job also. Thank you.

SPEAKER WITHEM: Thank you, Senator Preister. Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, even though I worked with Senator Elmer to provide some clean-up language, I still am opposed to the bill, but I'm not going to try to do anything to delay it at this time. The amendments should be adopted and I will vote to return the bill and add the amendments, but I will not vote in favor of the bill because I am in opposition. This is one of those that I had said I'm not going to do anything to try to clean it up, but sometimes, Senator Maurstad, I will look at a bill, I will feel an obligation because I'm a member of the Legislature to...I just did a little tinkering, there are still some things wrong with it but that which I did was something so obvious that my conscience would not let me rest without at least making an attempt to change it. Senator Elmer was very cooperative and accommodating but I don't want there to be a misunderstanding about my attitude toward the bill as a whole. I still think it's an abomination. The provision that relates to the obtaining of an injunction, I think, is extremely broad, extremely vague and, being a part of a criminal statute, it may bring the whole thing down, which would please me mightily. But I don't intend to do anything about trying to change any of that.

SPEAKER WITHEM: Thank you, Senator Chambers. Senator Elmer, there are no further lights on. Do you have a closing on your motion to return?

SENATOR ELMER: Just very briefly, Mr. Speaker. Appreciate Senator Chambers' comments and also appreciate his position on the bill which has been the same ever since that I have been here and I doubt that any amount of persuasion I might try to bring forth would change that particular position. And I would ask you to return the bill to Select for the adoption of the amendment. Thank you, Mr. Speaker.

SPEAKER WITHEM: Thank you, Senator Elmer. The motion is to return LB 274 to Select File. All those in favor vote aye, opposed vote nay. Record.

CLERK: 31 ayes, 0 nays, Mr. President, on the motion to return
